Things like "Why invest in Rainbow City" or "Why bring your business and family to the area". Also come up with different items that the area has to offer a new business whether it be the training that can be given to new employees or the airport or the truck lines and the interstate access, etc.
4. After Michael left the meeting, Andrew discussed with the Board members about having a meeting before the next scheduled meeting so Michael could move along with the development of the web pages. Everyone was in agreement with meeting on January 26th at 4:30 P.M. to discuss the website.
